Your 2024 memories of summer camp don't have to fade. Groupimaging Photos provides several products to preserve the bonds and relationship forged at camp. Group photos of both your entire camp, cabins, and individuals put back in your campers hands as early as tomorrow or the day before the camp week ends or, should you choose, Groupimaging can mail your photos to the homes of your campers for you.

Camps typically photograph their campers early in the camp week and upload the photo to our website and we delivery photos the day before the campers depart for home (or we can mail photos to each home for you).

Our Speed of printing, UPS Air deliver and our interactive website allow all of this to happen. Give us a call and we can walk you through how to get the most out of our services.

"Our camp has been using Group Imaging for over 20 years. I love working with them as they have superb customer service and their process easy. Our campers love their pictures too!"

Cindy Skelton, Camp La Vida

"We think memories are worth documenting and Group Imaging has been helping us do that for a number of years (Before digital when real film was used)!"

Phyllis Bornemann, Lake Aurora Christian Camp

Borders for your photos can asymmetrically come into your photo area to make the layouts more interesting. We can place you logos or other graphics around or placed into the photo area.

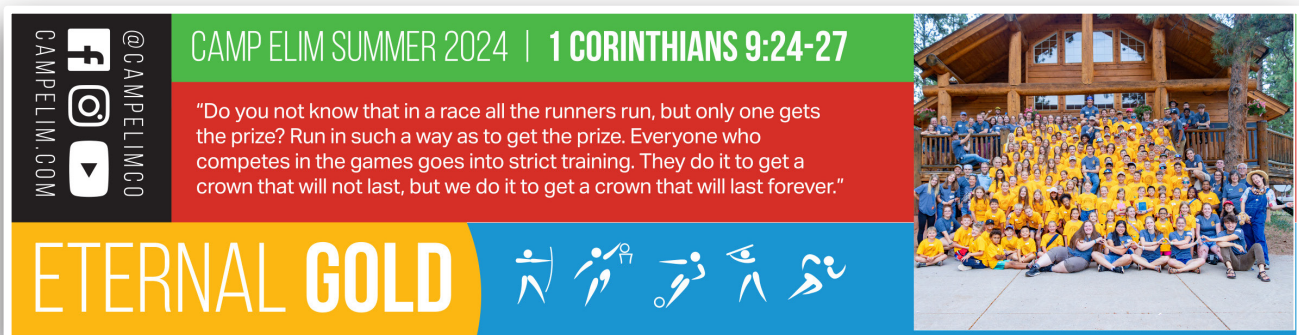

You can create some unique photos for the camp as you add multiple groups like staff, cit's, kitchen staff, etc to your weekly group order.

Groupimaging Photos works with all kinds of youth camps: Girl Scouts, Boy Scouts, 4-H, YMCA, Sports, Special Needs, Church Camps, Theatrical Camps, Music Camps. Give us a call to discuss how we can customize your photo memories memories for next summer.

The sky is the limit for the design of your photo layout. You can have your staff design the layout or you can have us design it for you and proof it to you for approval.

One of the favorite options for our photos is an 8x10 group photo with a 2"x8" bookmark attached and perforated for easy removal. Makes a great gift bookmark for the parent or camper.

CAMP ELIM SUMMER 2024 | 1 CORINTHIANS 9:24-27

"Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will not last, but we do it to get a crown that will last forever."

The memory mate is a product that will take more planning, but the planning is worth it. What a great memory to send home with your campers. Call us to discuss how to put this in place for you.

"We've always been impressed with the GroupImaging customer service, cannot believe how fast the turn around times are! It's a high quality product at a great rate, and our camp families are always very happy to receive these photos at the end of the season."

Pam Malter, Camp Canadensis

"Hey, Jeff! The best part of working with Group Imaging is your commitment to customer satisfaction. Over the summer, I appreciate the sense of urgency with which you all resolve issues if they arise. We are always so pleased with your work!"

EXTRA PROTECTION FOR SPECIAL NEEDS PHOTOS AND OTHER CAMPS

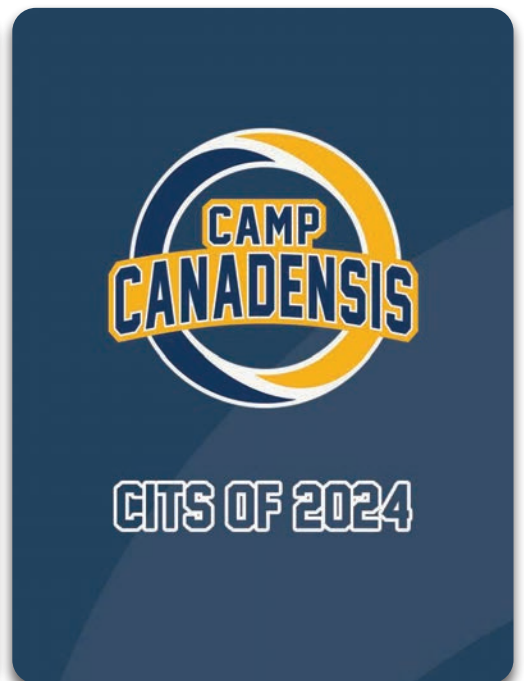

**ADD 5MIL GLOSS LAMINATE TO YOUR GROUP PHOTOS
FOR \$.50 EA.**

Laminating your photos will protect them when the occasion requires it. The standard photo without laminate is a perfect product, but if you have concerns as with a special needs week of camp, the laminate option can be a real lifesaver for your campers.

"Jeff and his team were amazing to work with this summer. They were very diligent and responsive during the entire process. In previous years, cabin and individual camper pictures were often damaged before they made it home. By laminating the photos, we were able preserve and protect those memories. The quality of the laminate is excellent and both campers and their families were very pleased with the product."

Groupimaging Photos is now offering premium quality and weight business cards for your camp. Our pricing is better than online pricing sources. Make sure you are comparing pricing to the 18pt cards we are offering. Many online and local printers will offer lighter weight cards (14pt and 16pt) for more than the price we are offering our customers for the heavier 18pt cards. Other vendors have very high shipping prices for doing 2 day shipping and 2 day is our normal shipping and is only \$15 for 2 day UPS Air shipping.

You can design and upload your business card with your own design or you can design one online on our website. We can also set up a template for your entire organization and you simply change the personal information (name, phone, photo if requested).

Note: At catalog print time (December, 2024), stock templates are not online and will be added to store soon. In the meantime, we can set up a template for your business cards like the way we set up camp photo templates. Please call or email to set up a custom template for your camp business cards.
