Your 2023 memories of summer camp don't have to fade. Groupimaging Photos provides several products to preserve the bonds and relationship forged at camp. Group photos of both your entire camp, cabins, and individuals put back in your campers hands as early as tomorrow or the day before the camp week ends or, should you choose, Groupimaging can mail your photos to the homes of your campers for you.

Camps typically photograph their campers early in the camp week and upload the photo to our website and we delivery photos the day before the campers depart for home (or we can mail photos to each home for you).

Our Speed of printing, UPS Air delivery and our interactive website allow all of this to happen. Give us a call and we can walk you through how to get the most out of our services.

"Our camp has been using Group Imaging for over 20 years. I love working with them as they have superb customer service and their process easy. Our campers love their pictures too!"

Cindy Skelton, Camp La Vida

"We think memories are worth documenting and Group Imaging has been helping us do that for a number of years (Before digital when real film was used)!"

Phyllis Bornemann, Lake Aurora Christian Camp

Groupimaging Photos works with all kinds of youth camps: Girl Scouts, Boy Scouts, 4-H, YMCA, Sports, Special Needs, Church Camps, Theatrical Camps, Music Camps. Give us a call to discuss how we can customize producing your memories for next summer.

"Groupimaging Photos is reliable, has great service and a fast turnaround. Thank you!"

The sky is the limit for the design of your photo layout. You can have your staff design the layout or you can have us design it for you and proof it to you for approval.

"For more than 10 years, our photo printing needs have been extraordinarily met by the friendly folks at Group Imaging. With so many other things keeping me occupied each week during Summer Camp, it's great peace of mind knowing that our weekly cabin group photos are taken care of! Thanks Group Imaging!"

Chris Aderhold, Camp Gray

"Hey, Jeff! The best part of working with Group Imaging is your commitment to customer satisfaction. Over the summer, I appreciate the sense of urgency with which you all resolve issues if they arise. We are always so pleased with your work!"

Lindsay Fournier, Camp Hopewell

"Thanks for your personal and rapid response to every order. You are always willing to honor special requests and offer suggestions to solve problems. Dependable and FAST!"

Konnie Kittrell,

One of the favorite options for our photos is an 8x10 group photo with a 2"x8" bookmark attached and perforated for easy removal. Makes a great gift bookmark for the parent or camper.

Borders for your photos can asymmetrically come into your photo area to make the layouts more interesting. We can place your logos or other graphics around or placed into the photo area.

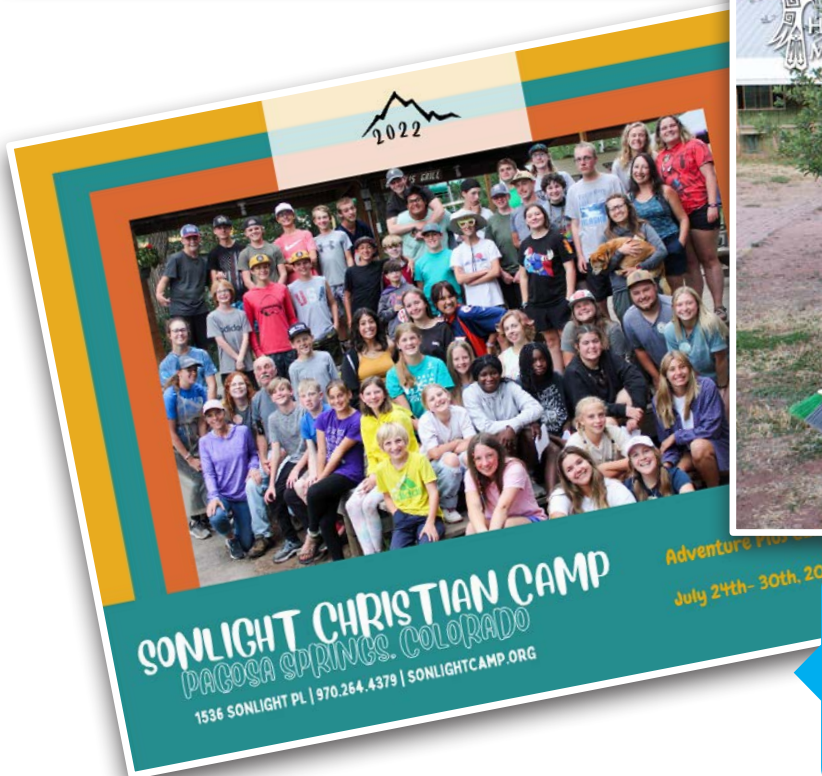

You can create some unique photos for the camp as you add multiple groups like staff, cit's, kitchen staff, etc to your weekly group order.

"Group Imaging has been my long standing go to for unit photos! The quality of the pictures, the ease of use and the exceptional customer service make the managing of photos so easy. Jeff and Charlotte are always there to help, answer a question and even manage your extremely late order in a timely fashion. I love working them and look forward to next summer!"

Deb Hooker, Camp Hoover

"Every week we can ensure our campers take home a priceless photo to remember their time at camp. Timely, affordable, communicable, and great quality work from Groupimaging - you can't beat that."

Claire Madera, Sonlight Camp

"Groupimaging Photos is a very professional well-run company. I've been associated with Groupimaging Photos for over 15 years and never had a complaint. Groupimaging products are above expected quality and they have always been on time. Let Groupimaging Photos do your camp photos and you will not be disappointed."

Leslie Higgins,
Jemez Music Camp | Hummingbird Music Camp

Talk to us about creating solutions for your specific needs. We can make your photos wider than 8x10 when you are not able to compose a group that has the height that usually helps you get larger individual heads in the photo. We can make your group photo 8x12", or 8x14".

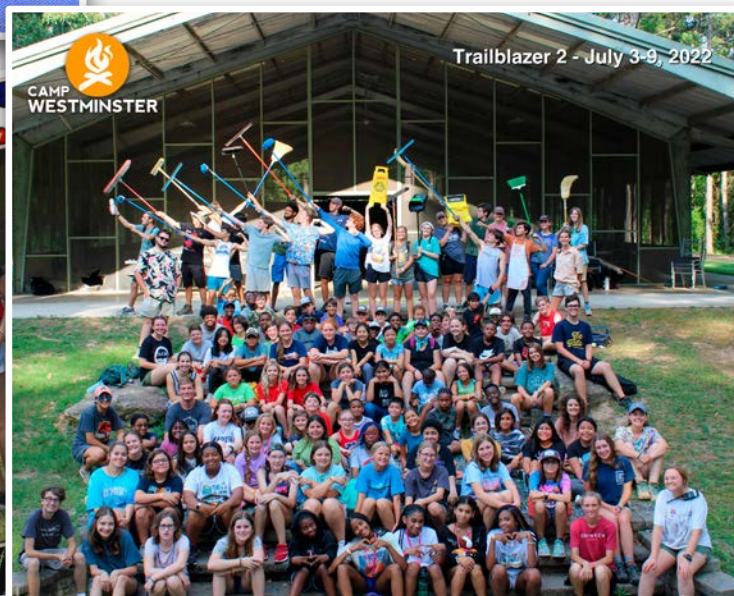

Why not put on the same 8x10 print your whole camp photo and inset a cabin photo as the memory to send home with campers. Call us to discuss how we can make that happen for you.

"Groupimaging has been my go-to for many years when creating a quality camp memory picture as a take home treasure for each camper. Their staff is so helpful; they provide great artistic and tech support, the pictures arrive on time as promised and are of high quality. The process is simple, affordable, and provides a sweet reminder to every camper of a magical time spent at camp."

Ed Covert, The Salvation Army Redwood Glen

"We have been working with Group Imaging for over 12 years. They are great to work with and very helpful when we need some extra help. Our campers love the photos which have always been delivered on time for us to handout to the campers."
